

CHIRINGUITO FISH FRY

We're ready for summer and starting early! "Chiringuitos" are the little seafood shacks that dot the Spanish coast. They sit right on the beach so you can dig your feet into the sand while snacking on just caught fried seafood.

Our version features an Ibiza style fish fry, a slew of sauces and condiments from all over Spain, a porrón of ice-cold Catalanian Rosé, and a finishes with a fresh pineapple dessert, a nod to the sub-tropical Canary Islands.
